The day begins with a mad rush to lockers!

The day begins with the ringing

A crowded hall shows to everyone the bell has rung.

Oh! How we wish the bell would ring.

They're listening for a bell of a different kind.

of a bell . . .

Groups like this quickly gather after the bell rings.

Many students find our library quite handy.

This alert S.C.A. representative keeps her students informed of the S.C.A. meetings.

and continues in many directions . . .

The happiest period of the day is lunch.

The lowering of the flag marks the end of another day.

It's all over but the shouting.

ending in a sigh of relief . . .

The end of the day for us, for Grat the beginning.

The race is on!

FOREWORD

This has been a year filled with happiness and many eventful happenings. As the year comes to an end, we are touched with a bit of sadness, recalling our many friendships shared with one another during the past year. We are now ready to take the next step—the big step into the future. We welcome it with warm smiles but we'll never forget this memorable year.

A pretty smile from our 1967 Homecoming Queen.

A few members of the brass section of our great band.

Our new football field under bright lights the setting for a great game.

Dedication

We, the class of 1968, wishing to show our respect and devotion for our principal and friend, Mr. Eugene Ross, proudly dedicate this edition of the Peak to him.

For his sense of humor, his kindness and understanding, his willingness to help us at any time, and his hard work for our benefit, we offer him our deepest appreciation and respect.

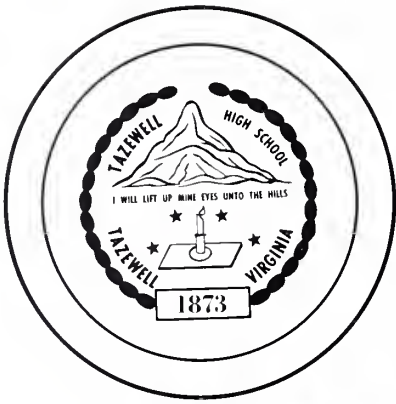

Mr. Ross always takes time out to talk to students.

He always has a smile for everyone.

Most of his time is spent working out solutions to school problems.

Administration

We, the students, rely on the assistance of our principal and teachers during the course of a day as they aid us in finding the answers to the many problems that perplex us.

LESTER JONES
Supt. of Schools

CLAUDE VAN DYKE
Chrman. of School Board

To paraphrase the words of a great American:

No one, not in my situation, can appreciate my feeling at this parting. To this place, and the kindness of its people, I owe everything. In the halls of learning I have lived and labored for many decades, and have passed from a young to an older man.

I now leave, knowing I may not return, just as you Seniors are leaving, never to return again. We are both "graduates", and just as the word implies, this Commencement time means a new beginning for us. As I shall be stepping onto the banks, you are entering the mainstream, and will be swept into the current of life.

Trusting in Him who can go with me, and remain with you, and be everywhere for good, I confidently hope that all will be well, for all of you.

Seniors

To become Seniors and graduate was our goal for four long years. We spent many long hours doing homework and just worrying about homework undone. But as the day which would end it all, the day of graduation, approached, we realized that the occasion would be a very dear, but very sad one for those 221 Seniors.

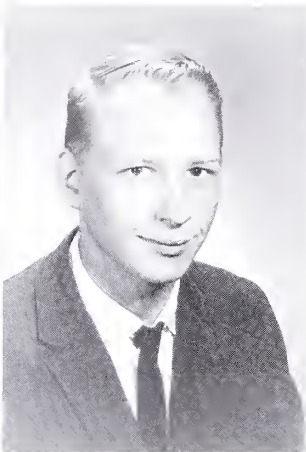

We had entered these hallowed halls as eighth graders. We may have been smallest in size, but certainly not in success. Cherry Harman as President for our class led us to greatness in all things we did, along with Renny King as Vice President, Marty Van Dyke as Secretary, Brenda Baldwin as Treasurer, and under the sponsorship of Mrs. Helen Tiller. As our Cheerleaders we chose Susan Royall, Sharon Santolla, Judy Hayes, Josie Whitt, Pat Young, Leanna Cole, Debbie Beavers, and Liz Osborne. As the months flew by we joined various organizations and participated in many extracurricular activities. It took time but we eventually came to feel as though we belonged. That year we chose Pat Young and Bill Brown the Best Eighth Grader. With one year of our high school career behind us, and anticipation for what lay ahead, we began to look forward to our oncoming

FRESHMAN YEAR. It was time for us to leave the auditorium before someone else. But the eighth grade was moved to the junior high so we were bottom rung on the ladder again. Our class officers that year were Bill Brown, President, Carl Riley, Vice President, Marty VanDyke, Secretary, and Kenny Farley, Treasurer. Our class sponsor who guided us through all our undertakings was Mrs. Demarcy Payne.

That year we elected Betty Edwards, and Marty VanDyke.

We had a great year in the sports field. Just like everybody else we participated in the class tournaments, we presented our talent show, and little by little time passed.

We were Sophomores now and as time passed we came to realize our goals and ambitions for another year. To start the year we elected our leaders. For our Homecoming attendants we chose Marty VanDyke and Bill Brown. Again our athletes did an outstanding job and the girls who cheered them on were Susan Royall, Pat Young, Betty

The months passed and our talent show, which was the talk of the school was presented. Then it was May Day time again. Our attendants were Susan Royall and Betty Edwards. Our Sophomore year ended with a little sadness in the hearts of all but also with great joy. We were now Juniors. We had only two more rungs to climb until a big part of our lives would be ended leaving nothing but memories, both good and bad. As Juniors we gained many new privileges. We were second only to the Seniors. Mrs. Jean Walk took

on the task of guiding, pushing, and tugging us along. Our officers, to whom we give much credit for the success of our undertaking, were Jerry Duty, President, Eddie Meade, Vice President, Campbell Peery, Secretary, and Kenny Farley, Treasurer. We began the year by selecting cheerleaders. They were Pat Young, Susan Royall, and Betty Edwards. In October came Homecoming. Those chosen to represent us were Susan Royall and Betty Edwards with Jerry Duty and Kenny Farley as their escorts. As soon as this was over we elected one boy and one girl to be Best Juniors. The year was full of excitement and fun. As time progressed we began to make plans for the Junior play. We finally chose **Arsenic and Old Lace** and the final production was very outstanding. It was the best play ever presented by a class in this school. Then came time for the biggest event of the entire year. It was Prom time! The theme of the Prom was "Arabian Knights." Even the Seniors agreed that it was beautiful. Most of the decorations were made by hand and they were absolutely gorgeous. Again that final day came and we moved one more step up the ladder.

But there was one big difference this time. We now moved to the top step of that ladder and became Seniors, "big tough Seniors." Along with title came many privileges and lots of hard work. Our officers were Bill Brown, President, Lewis Slaughter, Vice President, Lois Peery, Secretary, and Tommy Noakes, Treasurer. We could not have hoped for better leaders. The person who took much of her spare time and guided us in everything that we undertook was Mary Lewis. As the year began, we elected our varsity cheerleaders. They were Susan Royall—Head Cheerleader, Debbie Beavers, Betty Edwards, and Leanna Cole. It was our turn to elect the 1967 Homecoming Queen. We chose Miss Susan Royall. Her Senior attendants were Betty Edwards and Debbie Beavers. Her escort was Mr. Kenny Farley, and escorts for her attendants were Bill Brown and George Godbey. Then came Superlatives. Our favorites were Susan Royall and George Godbey, Best-all-round-Seniors. Next came the Senior play. A play, entitled "Harvey", was presented. It was a tremendous success.

As Juniors, we were on our third step of the staircase to higher learning at T. H. S. The past two years have been lots of fun but we must start getting serious in our plans for the future. We entered into our various classes with great enthusiasm and determination. As the year passed we cast our vote in the election of class officers. We then helped to choose Homecoming attendants and Best Juniors. Our anticipation grew as we waited for the Junior play which was soon followed

We, as sophomores, entered the doors of Tazewell High with anticipation, knowing that this year would be the turning point of our high school career. Our second year at T.H.S. offered us new interest, responsibilities, and privileges, which we readily accepted. We started this year, hoping to make it one we will not forget and one that we will always treasure. We rejoined our old friends and made new ones, which we hope to keep throughout the rest of our high school years. After all the activities and studies of our sophomore year it comes to a close but we look forward to next year when we will be "JUNIORS."

With eager anticipation, curiosity, and pride, we the Freshman class began our first year at Tazewell High School. We have shown our school spirit as we enthusiastically cheered at pep rallies and games.

To start the year off, we elected class officers. Those elected were Larry Mustard, president; Larry Turner, vice-president; Nancy Whitt, secretary; and Ricky French, treasurer. We chose Charles Heldreth and Nancy Reynolds as our Homecoming Court attendants. Two girls were chosen to represent the freshman class as May Princesses. We shall never forget the thrill and excitement of our class party. Now at the end of our first year at T.H.S. we are preparing to take the next big step up the ladder to our sophomore year.

The proud Bulldogs started the football season in our new Athletic field. We were proud of our outstanding record with 8 wins and 2 losses. The school spirit at Tazewell High School this year has never been surpassed. Ours was an undying team spirit and determination that was greatly admired. Fine coaching and student support also played a part in our Bulldogs record. But mainly the credit goes to the outstanding players, for we could ask for none better. They started and ended this season in a blaze of victorious glory.

It takes Teamwork to win!

Giddy-up, GO!

This year the THS wrestling team posted a 7-4 record. This record boosted the team to a 51-8 record since wrestling was taken up here at the school. The team loses four members of the team this year, they are: John Vassar at 127 lbs., Allen Yost at 154 lbs., Ray Mullins at 165 lbs., and Eugene Toney in the unlimited class. The reason the wrestlers have been able to post such a winning record is due to the excellent coaching of Coach Jay Lockhart who, with the team, are to be congratulated.

Basketball

The Tazewell Bulldogs, with the high scoring of John Barrett and James Reynolds, the fast moving Ronnie Thompson and the excellent playing of Perry Norris and Dave Harris, have lead the team to an outstanding record. Credit must be given to these boys who have contributed a great deal to the team with their hustle and their desire to win, Jerry Turley, George Godbey, Ernie Yost, Jack Crabtree, David Richardson and Buddy Blevins. Coach Tiff Kiser, in his 12th year as head coach, again has led the Bulldogs to their usual top position in the powerful Southwest District. Year after year he has obtained this feat and this year is no exception. The Bulldogs under one of the top winningest coaches in Southwest Virginia, started slow, but as the year progressed so did the Bulldogs.

And again the desire, hustle and determination of the team, plus the excellent coaching of Coach Kiser has paid off, and the 1967-1968 edition of the Bulldogs will go into history along with the past great teams of Tazewell High School.

COACHES

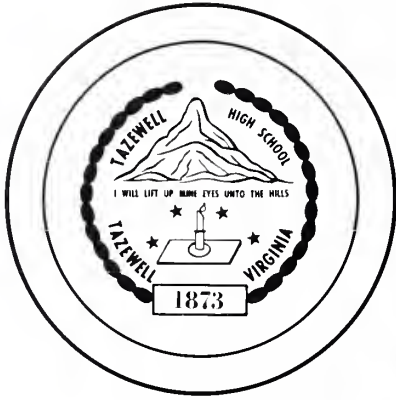

The Tazewell High School Athletic Department for the year 1967-1968 is headed by Athletic Director Coach Dave Rider. Coach Rider also doubles up as head football coach. Working with Coach Rider in football season are Coach Tiff Kiser, Coach Tom Short, and Coach Charles Frye who is in charge of the Junior Varsity program. In our Junior Hi program handling football season was Coach Jerry Peery. This past season, the coaches feel that the football season was fairly good. The varsity team finished with a 8-2 record and the J. V. team played only two games but won both.

Heading basketball program is Coach Tiff Kiser assisted by Coach Charles Frye. In our Track program, we have Coach Tom Short and also Coach Jerry Peery with Jr. Hi. We at Tazewell are extremely proud and excited to open our track season on a brand new track, said to be one of the finest in this part of the country.

Coach Rider as Athletic Director feels that he has a well qualified and extremely hardworking staff. With the youth of some of the coaches and the experience of others, he feels this makes for an ideal staff. Of course the boss of them all, the man who makes them move, is our principal, Mr. Eugene Ross.

L. to R.: Coaches Tom Short, Tiff Kiser, Dave Rider, and Jay Lockhart.

Activities

A day in the life of a student consists of many various activities. Pep rallies, clubs, and dances after the ball games are just a few of these activities. Without them a day would not be complete.

THE PEAK STAFF

The Tazewell High School annual staff receives little recognition from the students until time for annuals to go on sale. However, many activities precede this final moment. The members take the pictures and sell the ads. The members assimilate the yearbook and send it to the publisher. These people give the students the means through which they can remember their high school years. The final product, the yearbook, evidences the time and effort expended by both the sponsor and the annual staff.

The Student Cooperative Association is composed of every student in Tazewell High School. The council is made up of four executive officers, each class president, a representative from each homeroom, and a representative from each club. The purpose of the student council is to discuss and decide upon important matters which arise daily in the student body. The council works along with the teachers and principal to make Tazewell High School a better place to spend our high school days. Good representatives are the most important part of a successful S.C.A. I feel that this year's representatives are the best ever, and to them goes all credit this year for our achievements. I would like to give the student council and the student body my sincere thanks for their cooperation because without this cooperation nothing could have been accomplished.

The Future Farmers of America is a well organized club for high school boys interested in one or more of the many branches of agriculture. Members of the F. F. A. often get together to share and solve their problems. Participation in the F. F. A. brings out talents which may improve the future of its young members.

As William Paul Gray, the National Executive Secretary of the F. F. A., puts it, "The F. F. A. is an intra-curricular activity having its origin and root in a definite part of the school curriculum-vocational agriculture . . . Among other things, members learn through active participation how to conduct and take part in a public meeting, to speak in public, to buy and sell cooperatively, to solve their own problems, to finance themselves, and to assume civic responsibility. The foundation upon which the Future Farmers of America organization is built includes leadership and character development, sportsmanship, cooperation, service, thrift, scholarship improved agriculture, organized recreation, citizenship, and patriotism!!

The F. F. A. is one of the nation's most outstanding youth organizations. We can thank the F. F. A. for the many fine citizens it has produced.

Boys and Girls State

Darrell Maxfield

This is an impression of Girl's State given by one who attended.

On our arrival at the 1967 session of Girl's State held at Radford College, we were anticipating a week of marching and of studying Virginia's government. The blisters on our feet were evidence that we did have a long week of marching, marching, . . . ! But the "boring" study of government was presented in such a way as to make it interesting and exciting. Each girl, as a "citizen" of a mock "city", voted in the elections, and participated in her municipal government. Susan Royall was elected Senator from Tazewell. Through the different approach, each girl returned to her respective high school with a new insight in Virginia's government.

Infirmary Nurses

SEATED: Sue Cruse, Lorraine Harrison, Pam Shutt, Sue Murray. STANDING: Linda Lambert, Pat Mastro, Carol Henkel, Linda Wimmer, Linda Smith, and Lenna Roberts.

The Infirmary Nurses are students of Home Ec. II. They devote their study halls to care for the sick. Some of the responsibilities of these girls are: keeping a record of the students who enter the infirmary, taking care of minor injuries, and illnesses. They also make sure that the infirmary is used wisely, keeping it in spotless order, and providing any additional help to the sick students. The nurses take care of the linens, and supplies. These are only a few of the things infirmary nurses do. They feel that they are helping their school and learning from the responsibilities at the same time.

SENIOR CLASS WILL

We, the Senior Class of the High School of Tazewell, of the County of Tazewell and State of Virginia, being in perfect health and memory (praise be), and about to pass out of existence, do make, publish and declare this to be our last will and testament, in manner and form following, that is to say:

First: We bequeath to our esteemed principal, Eugene E. Ross, all the fear, admiration, reverence, awe, respect and deference, in which we hold him that he may when we are gone, relinquish all to our esteemed assistant principal, Ellis M. Fields that Mr. Fields may distribute said fear, admiration, reverence, awe, respect and deference impartially among incoming Freshmen in order that said incoming Freshmen may comport themselves with becoming circumspection in his presence, as we have always endeavored to conduct ourselves.

Secondly: We give to our teachers all the A's that are on the face of the earth or in the garrets above the earth or in the Subways under the earth, that they may distribute them generously among all students.
We also give back and return to our beloved teachers all the unsolicited advice, information, reproofs, admonitions and platitudes to all students in coming years.

Thirdly: We bequeath to the incumbent Juniors of Tazewell High School, all Senior Activities, privileges, and our seats in the front-middle section of the Auditorium. We also bequesth to said Juniors, our polished manners that said Juniors may in all matters conduct themselves with the gravity and impressiveness befitting our successors.

Fourthly: We give and bequeath to the incumbent Sophomores of Tazewell High School all quiet, modest characteristics that they may when they are Juniors be only, merely nothing but simple Juniors.

Fifthly: We give and bequeath to the incumbent Freshmen of Tazewell High School our never failing loving kindness, that said incumbent Freshmen when they shall be Sophomores next year, may not inflict suffering upon the then Freshmen.

Sixthly: We give and bequeath to the incoming infant Freshmen of Tazewell High School all our courage, fortitude, forbearance and resolute endurance. We make this bequest that said incoming Freshmen may bear up bravely under the tortures, torments, ridicule, and humiliations that upper classmen are sure to impose upon them.

Seventhly: We give and bequeath all our lost belongings, old trash and messes to our beloved custodians—Grat and Jack. We also bequeath to our custodians, cleaner, neater students in the future.

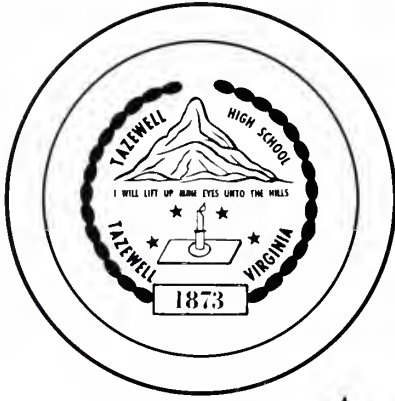

Eighthly: We bequeath to our parents all our patience and fortitude in order that they may endure the pains of parenthood.

Ninthly: To the town of Tazewell, we bequeath our ambitions, children and grand-children that the Town of Tazewell may prosper in coming years.

We make, constitute and appoint our beloved sponsors, Miss Mary Lewis, Miss Ruth Macom, Mrs. Emily Dennison, Mrs. Eleanor Smith, Mrs. Martha Chudina, Mrs. Marie Keenan, and Mrs. Paula Hale, to be executors of this our last will and testament.

In Witness Whereof, we have hereunto subscribed our names on this the 9th day of February, A.D. 1968.
